To Whom it may concern,

ENOUGH IS ENOUGH ALREADY!

Time and time again I have to hear the arrogance of our elected officials proclaiming we have secured so called " public safety " due to their unconstitutional gun control. Here they go again, wanting stripping us even further with MORE UNCONSTITUTIONAL edicts. NO MORE!

Enough with the answers to questions nobody asks, accept of course, the criminal element currently occupying the capitol building of this once GREAT state.

Sincerely,

Stephen A. Russo

East Haven.
